RE: Surplus of State Land in Concord, NH (Allen State Forest) open market sale.

Dear Commissioner Caswell,

The Department of Natural and Cultural Resources is seeking CORD approval to dispose of the State property known as Allen State Forest. The Corest is comprised of one 30-acre parcel. Due to the parcels inherently difficult access, and small size, the Forest is not an economically viable working forest. Therefore, DNCR desires to sell it on the open market for fair market value as determined by an appraisal.

Please submit this proposal to the Council on Resources and Development (CORD) for review at its next meeting. If you have any questions, please contact Bob Spoerl at (603) 271-2765.

Sincerely,

Sarah L. Stewart Commissioner
